

HYBRID ELECTRIC WATER HEATER

ENJOY MAXIMUM SAVINGS, CONVENIENCE & PEACE-OF-MIND

The Rheem® *Prestige*® Series Hybrid Electric Water Heater offers big energy cost savings, added smart features and the quietest operation in its class.

- **Savings** – Pays for itself in less than 2 years² thanks to an amazing 3.50 energy factor and features that deliver long-term savings
- **Smartest** – Exclusive Water Leak Detection, other protective service alerts and maintenance reminders are delivered to your phone for added peace-of-mind⁵
- **Quietest** – Operates at a sound level just above a whisper—in other words, you won't even notice it's on

**MORE SMART
WAYS TO SAVE**

Look for savings
through state, local
and utility rebates³

**DESIGNED
TO SAVE**
USING LESS ENERGY

WHY CHOOSE RHEEM®?

Established in 1925, our mission is still simple: help your family enjoy a new degree of comfort with solutions that keep you cool in the summer, warm in the winter and enjoying hot water year-round.

NOW WITH MORE INSTALLATION OPTIONS

Compatible with smaller install locations and a wider range of climates, the new Rheem Hybrid Electric makes it even easier for you to replace your old tank-type model and take advantage of ultra-efficient technology no matter where you live.

EARTH-FRIENDLY EFFICIENCY

Shower, do the dishes,
and wash the laundry
all while producing
fewer greenhouse gases
thanks to the super high
efficiency of the all-new
Rheem Hybrid Electric
Water Heater.
