Energy Use	1255 kwh (73% Reduction)	4622 kwh
5 Operating Modes including a Vacation Setting ⁴	✓	✗
Warranty	10-Year Tank & Parts Warranty	6
Water Leak Detection Alerts ⁴	✓	✗
Local Rebates Available ^{3, 8}	✓	✗
Works with Nest™ ⁴	✓	✗
Government & Utility Rebates & Credits ^{3, 8}	✓	✗

NOTE: This information is based on a comparison of a 50-gallon Rheem® Prestige® Hybrid Electric Water Heater and a standard electric tank water heater, defined as an electric residential tank water heater with a 0.95 EF, and on DOE national average energy costs.

DESIGNED TO DELIVER THE BEST HOMEOWNER AND CONTRACTOR EXPERIENCE

EASY TO SELL

HIGHEST ENERGY EFFICIENCY—At 3.50 EF, it's the most efficient water heater available, saving an estimated \$4,000 in energy costs over 10 years¹—resulting from a 268% higher EF for a payback in less than two years²—and may qualify for savings through state & local governments or utility providers^{3, 8}

ECONET ENABLED—Use with the free EcoNet App for smart, WiFi-connected features like alerts, notifications and control from home or away. Plus, it works with Nest™⁴

QUIETEST DESIGN—At 49 dBA, it features best-in-class sound and operates at a level just above a whisper—so they won't even know it's on

EASY TO INSTALL

FITS MORE APPLICATIONS—Our duct-ready models help to make using a hybrid electric an option for homes with less space with the use of warmer outside air

COST-EFFECTIVE INSTALL—The only duct-ready hybrid electric water heaters that do not require an additional duct adapter, for a potential savings of around \$200

EASY TO INSTALL—Easy access to electrical connections and two-sided shipping make it easy to move and install

EASY TO SERVICE

EXCLUSIVE WATER LEAK DETECTION ALERT—If water is detected outside the unit, it sends an automatic alert for potential average savings of \$4,444 by avoiding costly repairs due to water leaks⁷

PROTECTIVE ALERTS AND NOTIFICATIONS—High Pressure/Temperature Alert, Major Component Alert, Condensate Management Alert and Freeze Protection Notification⁵ help to protect the unit and the home

EASY COMMUNICATION—EcoNet Enabled system provides contractor's contact information to homeowners for servicing needs, along with automatic service notifications and alerts⁴
