

WHY GLADIATOR

Meet the Smart, Powerful, Easy-to-Install Gladiator

The unmatched Rheem® Gladiator™ gives you more than hot water. It gives you power—the power to know, control and protect. It's full of built-in smart features to help prevent cold showers, alert you of issues before there's no hot water and protect your home from potential water damage. And because it's a like-for-like replacement, it's easy to install.

THE POWER TO **PROTECT**

LeakGuard™ Protection
Protect your home from potential water damage with automatic water shut-off

THE POWER TO **CONTROL**

Built-in EcoNet® WiFi Technology
Control and optimize your water heater experience from your mobile device*

THE POWER TO **KNOW**

LeakSense™ Detection
Detect any water leak—large or small, internal or external†

THE POWER TO KNOW

LeakSense™ Leak Detection

The 360° built-in leak detection system, LeakSense detects any leak—large or small, internal or external!

Hot Water Availability Indicator

Allows you to check if you have enough hot water available to avoid cold showers via the EcoNet app²

Energy Usage Tracking

Enables you to view weekly, monthly and yearly energy usage reports from a phone to better manage consumption²

Mobile Alerts

Notifies you immediately of leaks and service needs through the EcoNet App²

THE POWER TO CONTROL

Built-in EcoNet® WiFi Technology

Gladiator's smart features provide you more control over your water heater

Water Temperature Control

Enables you to effortlessly adjust water temperature and balance hot water needs via the EcoNet App or hands-free voice control with Amazon Alexa or Google Assistant³

Set Vacation or Away Mode

Helps you save on energy and water heating costs while away so you can return home to a tank full of perfectly hot water

Contact Info in the App

Allows you to input your preferred contractor or installation professional's contact information so it's always available should you run into any issues

THE POWER TO PROTECT

LeakGuard™ Auto Water Shut-off Valve

The all-inclusive leak prevention system protects your home from potential water damage

Limits Potential Leaks

In the unlikely event of a leak, LeakGuard protects your home by shutting off incoming water and limiting the amount of tank water that escapes

Self Cleaning

Extends tank life and maintains the water heater's efficiency and tank capacity with a self-cleaning design

Industry-Leading Warranty

Enjoy peace-of-mind with 12-year limited tank and parts warranty and 3-year full in-house labor warranty⁴
