

# ENDEAVOR™

[Rheem.com/Endeavor](http://Rheem.com/Endeavor)

## Warm up to **Powerful Performance**

Keep consistently comfortable, even on cold winter nights, with the Rheem® Endeavor™ Line of Furnaces. Offering some of the highest energy efficiencies available, Rheem Endeavor 90% AFUE (Annual Fuel Utilization Efficiency) Gas Furnaces deliver peace-of-mind performance and reliable savings.

# Extreme Efficiency Meets Constant Comfort

## PEACE-OF-MIND PERFORMANCE

Relax, you're covered by one of the best warranties in the industry<sup>1</sup>—up to 10 Year Limited Parts + Limited Lifetime Heat Exchanger + Conditional Limited Lifetime Unit Replacement<sup>2</sup>.

## QUIET OPERATION

Sound levels range from quietest to quiet with insulated cabinets and truly variable speed airflow technology<sup>3</sup>—giving you one of the quietest furnace lines available<sup>4</sup>.

## OPTIMAL COMFORT

Modulating<sup>5</sup> (between 40% and 100% of capacity), two-stage<sup>6</sup> (medium, low) or single-stage (low) heating operation<sup>7</sup>, along with variable speed motor technology<sup>3</sup>, ensures a steady stream of just-right heated airflow to maintain your comfort level preference while providing superior humidity control.

### EcoNet®

The Rheem Endeavor Line R98MV, R97MV, R962V, R951V and R921V operate with the easy-to-use EcoNet Smart Thermostat, which optimizes system performance and provides a new level of protection and precision comfort with features like:

- Communication with latest sensor technology
- Control of your thermostat from anywhere via the EcoNet App<sup>8</sup>
- Alerts sent directly to your phone or email

## Helping You Live Both Comfortably and Sustainably

Many Rheem products have sustainability features, but the R98MV, R97MV, R962V, R951V and R921V models have earned our Sustainability Standout Seal, indicating that they are among the best of the best. We created the Seal to help you more easily find the products that save energy, save money and save the planet.

## Among Furnaces, These Are Stars

Earning ENERGY STAR® recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency and all of the Rheem Endeavor 90% AFUE Gas Furnaces are ENERGY STAR® or U.S. South ENERGY STAR® certified, offering annual energy cost savings<sup>9</sup>.

## Simplified Install & Service with Bluetooth Technology

Built-in Bluetooth connectivity<sup>10</sup> makes it faster and easier for your contractor to install and service your new system. This can help lower your costs and help make your home comfortable again—fast.

## TESTED. TRUSTED. TOUGH.

From the smallest part to complete comfort systems, we build quality into everything we make so we can be sure it's tough enough to deliver the ultimate performance you can count on day after day, year after year. That reliability is what makes Rheem different—and better.

## We Thought of Everything... & Then Some

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on Rheem Endeavor 90% AFUE Gas Furnaces to bring you and your family years of efficient and dependable indoor comfort.
