MORE FUN.
MORE SAVINGS.

Rheem® Endeavor™ Line Classic® Series

The Rheem Endeavor Line Classic Series R951T Gas Furnace provides excellent value and reliable comfort. It's designed for lasting energy-efficient comfort that saves you money while delivering peace of mind.

Rheem.com/Endeavor
Innovation You Can Count On

Patented industry-first features and 360+1 design make the Rheem Endeavor R951T a smart choice.

Peace-Of-Mind Performance
Relax, you’re covered by one of the best warranties in the industry—10 Year Conditional Parts + Limited Lifetime Heat Exchanger.

Energy Efficiency Savings
Higher AFUE (Annual Fuel Utilization Efficiency) ratings mean more energy savings and this 95% AFUE, ENERGY STAR® certified gas furnace is close to perfect when it comes to efficiently converting gas to heat—offering up to $85 in annual energy costs savings and potentially even more with available rebates. Visit Rheem.com/Rebate to check your state’s rebate policies.

Efficient Comfort
Constant torque ECM motor technology delivers the heated airflow to meet your requested warmth requirement.

TESTED. TRUSTED. TOUGH.

From the smallest part to complete comfort systems, we build quality into everything we make so we can be sure it’s tough enough to deliver the ultimate performance you can count on day after day, year after year. That reliability is what makes Rheem different—and better.

Among Furnaces, This One’s a Star³

Earning ENERGY STAR® recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

Nearly 100 Years of Innovation
As the only brand bringing innovative air and water solutions to homes and businesses around the world, Rheem continues to deliver advanced comfort, savings and experiences to our customers—just as we’ve done for nearly 100 years.

1Registration is required for the conditional parts warranty. For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local Contractor or go to Rheem.com for a copy of the product warranty certificate.³Per EnergyStar.gov, when compared to a standard 80% AFUE gas furnace.³Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit EnergyStar.gov.³Based on manufacturer’s furnace offering, and the product’s heating stages, motor type and cabinet insulation. Sound levels are also dependent on furnace location and installation.

In keeping with its policy of continuous progress and product improvements, Rheem reserves the right to make changes without notice.
