Keep consistently comfortable year-round with the Rheem® Endeavor® Line of Heat Pumps and Air Conditioners. The Rheem Endeavor Line offers an excellent range of choices designed for lasting energy-efficient comfort that saves you money while delivering peace of mind.
Relax with Consistently Hot... or Cold Temperatures

PEACE-OF-MIND PERFORMANCE
Yes, you’re covered by one of the best warranties in the industry—up to 10 Year Limited Parts + 10 Year Unit Replacement.

REDUCED EMISSIONS
Households generate 22% of greenhouse gas emissions, so switching to a Rheem® can make a big difference for the environment—today.

QUIET OPERATION
Efficient home comfort shouldn’t be noisy. That’s why our air conditioners and heat pumps are designed with acoustics in mind. Integrated sound-damping features such as refrigerant piping design, fan blade approach, compound base pan and innovative compressor and drive technologies let you enjoy more efficiency—and less noise.

HIGH COMFORT
Inverter-driven, variable speed compressor (between 45% and 100% of capacity), variable speed twin rotary compressor (between 45% and 100% of capacity, ramping up to 100% when required), two-stage (high, low) or single-stage technology work to continuously meet your ever-changing cooling needs. You’ll enjoy steady temperature and advanced humidity control that combine to exceed your optimal comfort expectations.

Rheem® Endeavor® Line
Heat Pump Series

Simplified Install & Service
Earning ENERGY STAR® recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency and serve of the Rheem Endeavor Line Heat Pumps and Air Conditioners are ENERGY STAR® certified, offering annual energy cost savings.

From the smallest part to complete comfort systems, our quality into everything we make so we can be sure it’s tough enough to deliver the ultimate performance you can count on day after day, year after year. That reliability is what makes Rheem different—and better.

We Thought of Everything... & Then Some
We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That’s 360+1. And that’s why we can count on these heat pumps and air conditioners to bring you and your family years of efficient and dependable comfort.
