- **Conditional Parts – 10 Years** (registration required)

---

**Innovation You Can Count On**

Patented industry-first features and 360+1 design make the Rheem Endeavor RA14AZ a smart choice.

**Peace-Of-Mind Performance**

Relax, you’re covered by one of the best warranties in the industry1 — 10 Year Conditional Parts.

**Less Environmental Impact**

The 7mm condenser coil² provides a decrease in refrigerant requirements up to 15%, lowering the amount of greenhouse gases emitted while contributing to Rheem’s sustainability goal of a 50% reduction in our greenhouse gas footprint by 2025. A win for all of us.

**Durable Curb Appeal**

Curved louvered panels and rugged corner posts provide excellent protection to internal components, while modern cabinet aesthetics including the corrosion-resistant composite base pan and powder coat paint system allow your unit to put its best face forward for years to come.

**Quiet Operation**

Efficient home comfort shouldn’t be noisy. That’s why our air conditioners are designed with acoustics in mind. Integrated sound-dampening features such as refrigerant tubing design, fan blade approach, composite base pan and innovative compressor and drive technologies let you enjoy more efficiency—and less noise.

**Among Air Conditioners, This One’s a Star4**

Earning ENERGY STAR® recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.
