Subject: Medium and Large Unit Coolers Discontinued

By: Raleigh Thompson PIN #: H-MIS-14
Issue: Last Day to Order Date: 05/11/2020

New Department of Energy Annual Walk-in Energy Factor (AWEF) regulations for evaporators for Walk-in Coolers and Freezers in boxes less than 3,000 sq. ft. go into effect on July 10, 2020. Orders for the legacy models will not be accepted past June 12, 2020. All orders after June 12, 2020 will need to be switched to the new models. The chart below shows the legacy models and the new models.

Note the following DOE AWEF statements for new model comparison:

Medium Profile and Heavy Duty Unit Coolers

Models were designed in anticipation of the July 2020 Department of Energy Annual Walk-in Energy Factor (AWEF) regulations for evaporators for Walk-in Coolers and Freezers in boxes less than 3,000 sq. ft.

Warehouse Unit Coolers

Warehouse models are designed exclusively for use in walk-in coolers and freezers 3,000 sq. ft and larger and fall outside of the July 2020 Department of Energy Annual Walk-in Energy Factor (AWEF) regulations
