Subject: Product Discontinuation Schedule

By: Raleigh Thompson

PIN #: R-MIS-6

Issue: Product Discontinuation

Date: 3/12/2018

All,

As a result of recent and upcoming new product introductions, some legacy product lines are scheduled to be phased-out of production. Please be aware of the following key product line discontinuation dates and HTPG recommended substitutions:

| Discontinued Product | Replacement Product | Last Order Accepted Date | Notes |
|---|------------------------------------|--------------------------|---|
| All-Temp Low Profile – “C Vintage” | Next Gen All-Temp Unit Coolers | January 1st, 2018 | |
| All-Temp Low Profile – “B Vintage” | Next Gen All-Temp Unit Coolers | January 31st, 2018 | |
| Legacy Multicon Large Air-Cooled Condensers | Quantum Air™ Air-Cooled Condensers | April 1st, 2018 | |
| Legacy V-Series Condensing Units | QV-Series Condensing Units | July 1st, 2018 | Last Order Accepted date is currently a target. |

Action:

Please insure that your impacted customers are aware of the product discontinuation schedule.
