

TECH Clean California

Heat Pump Water Heater Incentives

ENROLL TODAY AND START EARNING

TECH Clean California is an initiative designed to accelerate heat pump adoption. Enrolled contractors who replace a gas/electric water heater with a Rheem HPWH can earn incentives per installation.

HOW TO ENROLL

1. Fill out the online enrollment form [SwitchIsOn.CleanEnergyConnection.org/Form/Enrollment-Form](https://CleanEnergyConnection.org/Form/Enrollment-Form) and be sure to select "Yes" for "Would you like to apply for TECH Clean California?".
2. You will then be contacted by program staff to complete enrollment.
3. Once enrolled, you'll receive a username and password to the incentive application submission portal at CATechIncentives.com.
